

## NOTICE TO TRUCK DRIVERS

### PREVENTIVE CLOSURE OF PONT DES PILES, IN SHAWINIGAN

The ministère des Transports informs its trucking industry partners that pont des Piles, located on route 55 in Shawinigan, has to be completely closed. The bridge will be closed until the deck reinforcement work is complete.

The detour route **for trucks and through traffic** on the north–south axis is the following:

- routes 153 and 359, then autoroute 40.

The Ministère is aware that the closure will have significant impacts, but its absolute priority is the safety of road users.

Thank you for your cooperation.
